EPA TO ANNOUNCE NEW FUNDING FOR MANVILLE

BOSTON -- The U.S. Environmental Protection Agency will hold a briefing at the Johns Mannville Superfund Site cleanup in Nashua, NH to announce significant new developments at the site.

ATTENDEES: EPA Regional Administrator John DeVillars, representatives from the NH Department of Environmental Services, NH Department of Health and Human Services, Senator Bob Smith, Representative Charles Bass, Nashua Mayor Donald Davidson, other City officials and representatives from the Johns Manville Neighborhood Task Force. A representative from Senator Judd Gregg's office will also be in attendance.

TIME: Monday, September 9, 1995 at 2:00 p.m.

WHERE: Johns Manville Superfund Site, Bridge & Sanders Streets, Nashua, NH

DIRECTIONS: From Route 3 North in NH take Exit 5E (Route 111). Go straight thru a number of traffic lights until you see signs indicating a left turn for the bus depot. After passing those signs, the next traffic light will be at the intersection of Nashua's main street. Turn left onto the main street. Look for City Hall immediately on your left and continue through a number of traffic lights until you see Grace Fellowship Church (white steeple) on the left. Turn right at the lights onto Canal Street (turns into Bridge Street). Look for Farmer's Exchange/Blue Seal Feed sign on left. Cross railroad tracks & look for gray building on the left. Turn left into Sanders Street. Building 40 is on your left, building 10 is on your right.
